

AWARDS COMPETITION

INTERMOUNTAIN SECTION INSTITUTE OF TRANSPORTATION ENGINEERS

JAMES L. PLINE AWARD

AWARDS COMPETITION

This competition was instituted in 1984 to recognize an Intermountain Section member who has significantly contributed to the transportation engineering profession in the outstanding manner of Jim Pline, the first recipient of this award. There is no monetary value connected with the award, but the recipient will receive a recognition plaque.

ELIGIBILITY

Competition is limited to members of the Intermountain Section of the Institute of Transportation Engineers.

JUDGING CRITERIA

Nominees will be judged by a Committee of past recipients based on their contributions to the transportation engineering profession. These may include but are not limited to:

1. Participation in the Intermountain Section and other councils and committees within the Institute of Transportation Engineers.
2. Participation in ITE activities on a District and National level outside the Intermountain Section.
3. Work and volunteerism in transportation engineering activities and other non-profit and humanitarian organizations.
4. Publication and presentation of transportation-related studies, projects and articles.

NOMINATIONS

Those wishing to submit a nomination must do so before the deadline of **April 1, 2018**. The nomination shall consist of no more than ten pages of narrative describing the nominee's contributions to the transportation engineering profession and other specific reasons for consideration of the nominee. Persons submitting a nomination shall include their address and phone number, as well as those of the nominee.
