

January 15, 2019

Dear Intermountain Section Member or Honored Guest:

The 59th Annual Meeting of the ITE Intermountain Section will be **May 16th – 18th, 2019** at the Snow King Resort in Jackson, Wyoming! In addition to the technical program and traditions that you know and love, this year's meeting will be a great opportunity to learn and discuss the latest news and happenings of the OneITE initiative.

As in years' past, Thursday afternoon will include the start of the technical program and the golf tournament running concurrently. After which, member chapter socials and the third annual Intermountain Section traffic bowl with the student chapters will follow at the Snow King.

The official meeting start will be Friday morning, offering a robust technical program. Help us cultivate the future ITE leaders through the Professional/Student Meet-up during Friday's lunch, attend the Annual Business Meeting to share your thoughts on the OneITE initiative and other Section Business, and attend the vendor show for your chance to win one of many door prizes. The vendors from around the region will be on hand to display their products and answer your questions. Be sure to get to know them, familiarize yourself with their new products, and thank them for their generous support of our meeting!

The technical program will wrap up Saturday morning, and we will end the conference with our annual Section Award Banquet during Saturday's lunch. We will be handing out the Ellis L. Mathes scholarships, best student paper, Best Technical Presentation, Project of the Year, and James L. Pline awards (and let us not forget the dubious "Missing in Action" award!). Applications for the awards can be found on the Section's website at www.intermountainite.com/awards.

Online registration via credit card is again available for the conference, golf tournament, and Professional-Student Meet-up this year at <https://www.intermountainite.com/annual-meeting.html>!
