

January 19, 2018

Dear Intermountain Section Member:

It is time to share your great projects, research, and experiences with your fellow transportation professionals! Please consider preparing and sharing a presentation at the 58th Annual Meeting of the ITE Intermountain Section held on May 17-19, 2018 in beautiful Jackson, Wyoming!

If you are interested in sharing a technical presentation please respond to Erin Claunch, PE, PTOE, at claunche@ci.billings.mt.us by March 16, 2018.

Please attach a brief abstract of your presentation and author bio in Microsoft Word or PDF format to your email and provide the following information:

Title: _____

Submitted by: _____

Address: _____

Phone: _____ Fax: _____ E-mail: _____

Please indicate in your email response if you would like to be considered for the best presentation award. Please also indicate in your email response if you are willing to have your presentation posted online at ITE Intermountain Section website (www.intermountainite.com) as a PDF.

A projector and a laptop will be provided by ITE. Please bring your presentation on a jump drive.

If you need any other visual aids that you cannot bring yourself please contact Erin at:

Erin Claunch, PE, PTOE
City of Billings, Engineering Dept.
2224 Montana Avenue
Billings, MT 56102
Ph: (406) 657-8242
claunche@ci.billings.mt.us

Presentations should be limited to no more than 20 minutes, with 5 additional minutes for questions and answers

Each year we solicit transportation professionals from within the Intermountain Section, as well as visiting professionals, to share technical transportation knowledge through 20 minute

presentations. The program typically has 5-7 technical sessions, including panel sessions, workshops, and/or up to 30 individual topics. We are very proud to say that our technical program has been highly touted by ITE International Board members.

Professional Development Hours:

Our conference agenda is reviewed and approved by ITE International each year and PDHs can be earned in one of the most beautiful places on earth!

Vendor/Networking Breaks:

We understand the importance of catching up with old friends and acquaintances and meeting new contacts. During our technical program, we provide networking breaks each day in addition to socials. We also encourage you to visit our vendor booths to learn about the latest and most exciting products to further our industry.

Please let any of us know if you have any questions or concerns.

Sincerely,

Cam, Erin, Hal, and Kondala

Intermountain Section of ITE Officers
