

January 19, 2018

Dear Intermountain Section Member or Honored Guest:

The 58<sup>th</sup> Annual Meeting of the ITE Intermountain Section will be **May 17-19, 2018** at the Snow King Resort in Jackson, Wyoming! The regular technical program will begin Thursday afternoon followed by member chapter socials and our second annual traffic bowl with some of our student chapters in the Snow King. The meeting is a great opportunity to meet and exchange ideas with others in our profession, including but not limited to professionals from Idaho, Montana, Utah, and Nevada!

The official meeting will kick off Friday morning offering technical sessions of various topics and presentations. Lunch will be on your own on Friday, but I urge all attendees to sign up for the Professional/Student Meet-up Lunch and then attend the Section Annual Business Meeting. As part of Friday's festivities, the Vendor Social will again be held on site. Vendors from around the region will be on hand to display their products and answer your questions. Be sure to get to know them, familiarize yourself with their new products, and thank them for their generous support of our meeting.

Saturday is a half day of technical session presentations culminating with the Section Award Luncheon. At the luncheon, we will again be recognizing students with Ellis L. Mathes scholarships and best student paper monetary awards. Conference professional attendees may also earn the Best Technical Presentation, Project of the Year, and Jim Pline awards. You can't win if you don't enter. See forms and contacts on the Section website at [www.intermountainite.com](http://www.intermountainite.com).

Online registration, via credit card, is available at <https://www.intermountainite.com/annual-meeting.html>.
